Dear Sir,

**RE: EXPANDED PUBLIC WORKS PROGRAMME  
IN THE INFRASTRUCTURE SECTOR**

The objective of the Expanded Public Works Programme is to create short term Job Opportunities, together with Training, within the Local Community in which the infrastructure is being provided.

I wish to acknowledge your support and achievements in your unwavering commitment to the objectives of the Expanded Public Works Programme in the implementation of the rural road upgrading projects, D 1123, D 1132 and D 1133 within the Msunduzi Local Municipality.

From the design stage, through implementation to completion of the projects, you have shown your total commitment to the creation of short term Job Opportunities within the Local Communities.

As a result, 113 Job Opportunities were created.

Also, 130 person days of Training was provided.

It is through this type of commitment, from our professional community, that the EPWP can succeed in its objectives and reduce the high unemployment rate within our rural communities.

As a result of the success of your three projects, implementing EPWP, I hope you will continue to support the Expanded Public Works Programme.

Thank you.

Yours faithfully,  
E.P.W.P. TECHNICAL SUPPORT
